

## Online Safety Pledge

**I want to use the computer and the Internet. I understand that there are certain rules about what I should do online. I agree to follow these rules:**

- I will not give my name, my teachers' names, my parents' names, or any other personal information to anyone I "meet" on the Internet.
- I will not give out my passwords to anyone other than my teachers/parents. (Not even my best friends!)
- I will not send a picture of myself or others over the Internet without my teachers'/parents' permission.
- I will not fill out any form or request online that asks me for any information about my school, my family, or myself without permission from my teachers/parents.
- I will tell my teachers/parents if I see any bad language or pictures on the Internet, or if anyone makes me feel nervous or uncomfortable online.
- I will never agree to get together with someone I "meet" online.
- I will respect the intellectual property of others and will never claim any article, story, song, photograph, artwork, or any other work I find online is my own.
- I will not use offensive language online.
- I will practice safe computing and protect the computers and networks I use from viruses.
- I will be a good online citizen and not participate in any activity that hurts others or is against the law or my school's policy.
