

Message from the Principal

Greetings:

On behalf of the students, faculty and staff, welcome to the web site for Abilene High School. This site is designed to provide you with information regarding our school, our staff and our students.

Abilene High School offers a wide range of academic and activity programs to meet the needs of our student population. We strive to provide opportunities for students to prepare for their future through academic preparation and in their personal interests and goals.

We are dedicated to providing an environment in which each student is treated with respect. From that relationship, we believe students will treat each other with greater respect and courtesy, and strive to excel to higher levels of academic and extra-curricular achievement. We want to stress the importance of attendance at school with the understanding that students achieve higher levels of success by being in class.

I hope that you find our site informative and helpful. If you need additional information, please do not hesitate to contact our campus and we will direct you to the person who can best answer your questions.

Sincerely,

Terry Bull, Principal
Abilene High School
